I made one additional change for "requests to make oral comments during the meeting will be included in the agenda if received by noon June 2, 2020", to be consistent with the sentence for oral comments under the section DATES. Thanks.

Subject: Revise FR and Listserv for June

All,

Did a final run through the listserv and FR to address this morning's discussion (and I noted some other consistency problems). Below is the revised listserv and attached are a mark-up and a clean version of the draft FRN. The most substantive change is the removal of text that implies an extension to the written public comment period.

I'll plan to send these to Allison Dennis before 11:00.

Thanks.

Steve
